Veriff E2E

The diagram is a funnel shape divided into five horizontal sections. From top to bottom, the sections are: a small red triangle labeled 'Veriff E2E'; a purple trapezoid labeled 'Product E2E'; a light blue trapezoid labeled 'Integration' which contains a smaller, rounded rectangle labeled 'UI'; an orange trapezoid labeled 'Unit'; and a large yellow trapezoid at the bottom labeled 'Static'. The funnel narrows as it goes up, indicating that higher-level testing is more focused.
